About This Collection

Step into Mayin's Deltarune gallery, where pixel art and accurate style bring the classroom to life with unexpected heat. Watch shorter males dominated by larger females, from Berdly's awkward anthro avian charm to Kris caught in compromising positions with Asgore, Toriel, and Alphys. Expect cowgirl poses, femdom energy, size difference, and blue feathers everywhere—blush, big breasts, and all. Click the link above to view the full gallery and see every mischievous moment unfold.
