Top lesbian pornstars in story driven lesbian porn and girl

About This Collection

Melody Minx takes the lead as top lesbian pornstars pair off in story driven girl on girl scenes. The setups build slowly, with eye contact, tense dialogue and hands that wander before anyone commits. Melody carries that same charge into a facial blast finale that closes the set. Every frame keeps the focus on the two women in front of the camera and the moment they stop holding back. Follow the link above to view the full gallery.
