About This Collection

Step back to a year when awkwardness and allure collided on film and in the schoolyard. It's a grown-up look at growing up, a blush of back-to-school anatomy and star-crossed change. Our gallery revisits Social Puberty through a lens both clinical and nostalgic, touching on the Copenhagen Puberty Study, the Science Class and Puberty Club, and even the Garbage Pail Kids. Bodies are mapped in the fine details—nose, eye, arm, hip, hand, knee, foot—while Jeannie Ewing's memory and the spirit of Puberty Blues set the tone. Think of Sexuele voorlichting, the 1991 sexual education classic, and the raw teen energy of Edward Furlong on the Terminator 2 set, where he became "Furshort" to Cameron.
