About This Collection

Inside R34 Vault, Fallout opens with a vault girl beside a vault dweller, while Vault Boy offers a new perk called Favour Giver. Demon slayer pairs kamado nezuko with kamado tanjirou and brings in kanroji mitsuri. A Health Inspection turns plundered, as big breasts and ahe gao push the scene on. Dandy, astro, fionna and an original character add edge. Yor briar, shihouin yoruichi, megumin, satou kazuma, mori calliope, kujou sara and raiden shogun keep the crossover busy.
