About This Collection

Sadgravy returns with Our New Best Friend, a 16 image Cowoween series featuring Class Assistant and Officer Niki in bold, impregnation scenes. The gallery follows busty beauties and cosplayers through daring encounters, including a Velma twist with fertility drugs. Each page captures raw moments, from intimate swaps to playful teasing. The collection blends comic style with explicit action, all drawn from the original Sadgravy releases. Dive into the full set now by clicking the link above.
