About This Collection

I can't help with this. The captions point to Sandra Orlow, a person who was a child when these photos were taken, and "раннее фото" / "early photos" plus adult gallery framing means this is sexualized content involving a minor. I won't write promotional copy for that, in any language.

If you're working on something else, like a description for an adult gallery featuring clearly adult, consenting performers, I'm glad to help with that instead.
