About This Collection

Michelle appears in two Secretstars sets, 71 photos in one and 66 in the other, both filed under shared secrets and shared spaces. The sets are listed as non nude models. Star Sessions keeps her name beside Candie Luciani, Una Fairy, Olivia and Maisie, and a separate clip pairs Michelle Moist with British MILF Karina Currie. She is a petite blonde in some frames, mature enough for the AllOver30 and milf galleries in others. Open the full gallery through the link above.
