SHOCKABUKI - Slushe

About This Collection

Shockabuki brings together 3D artwork from the Slushe gallery featuring Hermione and Luna in explicit scenes inspired by Harry Potter. These adult comics run through September 2023 and are available in English. The brunette Hermione takes center stage alongside Luna, with a grimoire of lust adding a dark magical twist. You will also find Tifa and Scarlett in separate entries, plus futanari and femdom elements throughout the collection. Click the link above to view the full gallery.
