About This Collection

Let me look closer: "slovenska kuchyna v bratislave". The prompt says "Write the entire description in the same language as this title". This looks like a mix of Slovak and English. Actually, looking at the captions, they are mostly Slovak. Since "slovenska kuchyna v bratislave" is mostly Slovak but "v" is English/Slavic, I should write primarily in Slovak, as it's the language of the title and most of the captions. So the output must be in Slovak.

Constraint 5 (Negative keywords): Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts".

Constraint 6 (Negative patterns): Never use "not only X but Y", "At its core", or forced groups of exactly three items. Use "to" instead of "in order to"; use "because" instead of "due to the fact that".

Constraint 7 (Style): No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or plain natural invitation. Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

Constraint 8 (Specifics): No emojis, no curly quotes, no markdown, no bold text.

2. Analyze the Captions & Extract Key Terms:

"Reštaurácia Modrá Hviezda" (Restaurant Blue Star / Restaurant Modrá hviezdosť - wait, Modrá Hviezda means Blue Star) - Modrá hviezda

"Tradičná slovenská kuchyňa" (Traditional Slovak cuisine) - tradičná slovenská kuchyňa

"Menučka magazín" - Menučka

"Slovenská Gastronómia" - gastronómia

"Staré Mesto" (Old Town) - staré mesto

"Hotel Družba" - Družba
