About This Collection

We need to write a short enticing description 60-90 words, one coherent paragraph, teases models, setting, action, not list captions mechanically. Title is Turkish? Translate rest as needed. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Plain text only, no markdown, no lists, no quotes. So description in Turkish. Must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No emojis, no curly quotes, no markdown, no bold. Must avoid AI-flag words list. Use "to" instead of "in order to", "because" instead of "due to the fact that". Answer in same language as title: "tango ifşa". No generic positive endings; end on concrete fact or plain natural invitation. Must avoid em/en dashes, use commas or split sentences. "tango ifşa" appears Turkish. Avoid "not only X but Y", "At its core", forced groups of exactly three items. End with natural invitation to view full gallery via link above. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to reuse at least 20% of these key words. But must be natural. Hard to know. That's many. Safer to include many. But we can include maybe 10-15 distinct key words. 20% of total distinct key words? We'll write Turkish paragraph ~70 words.

We must avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those. Also avoid em/en dashes. Use commas.

No "not only X but Y". No "At its core". Use "to" instead of "in order to". Use "because" instead of "due to the fact that". We need to naturally reuse at least 20% of key words. com", "Turkleak", "Türk İfşa Tube", "Twitter", "canlı yayın", "Aşkım Yavaş". But we need to ensure at least 20% of key words from captions. That's many. Hard to quantify but likely okay.

We must not use "Türk" with diacritics? It's okay.
