Femboy Motel page 1 full

About This Collection

Dive into the dark, twisted world of zincubis, where a gothic boy crosses paths with tentacles, vampires and werewolves. Male focus, male only, and deliciously gruesome — each page teases something new and wicked. This gallery mixes fandom porn with femdom fun, featuring two boys caught up in size difference play, a femboy motel fantasy inspired by Amai Meiden's papakatsu choukyou style, plus inflation art from palcomix. Click the link above to view the full gallery now.
